

## **Don Graham Photographs and Film Collection – Collection 165**

### How to find negatives by subject:

The inventory is a searchable PDF file. To search it for a specific subject, click on the Search icon at the top of the page (Magnifying Glass) or press Ctrl and F at the same time.

A Find box should appear in the top right corner. Type in the subject you want to find (i.e. Baseball) and click Next .

The first occurrence of the subject will be highlighted. To determine the location and year for this occurrence, look at the top of the page for a Box No. and Year (i.e. Box 1-A 1971 A-T)

If this occurrence is of interest to you, make a note of the Box No. for the Archives staff to use in retrieving the negatives.

To find the next occurrence, click Next in the Find box.

Repeat this process as necessary until all the desired occurrences of your subject are found.
