	DVD - <u>J. Frank McAneny Negatives From Warren Cailleff</u> (These negatives were personally given to Warren Cailleff by J. Frank McAneny.)	
	In February, 2014 Mr. Cailleff decided that they should be donated to the LSUS Archives for preservation along with other McAneny negatives. Digital scans of these negatives were done by the Red River Valley Railroad Historical Society before the negatives were given to the LSUS Archives. This DVD contains a copy of these digital scans. Copies of these digital scans should be made available to members of the Red River Valley Railroad Historical Society at no charge except for the cost of the media. The negatives are in Collection 549 J. Frank McAneny Photographic Collection, Box 67	
<u>Scan No.</u>	<u>Information written on original envelope (in addition to <i>J. Frank McAneny Photo</i>)</u>

	<u>CD</u> (1) containing copies of all scans of photos in Box 5 and Box 6 Done August 12, 2012 to October 30, 2012	
	<u>8mm Movie Film</u>	
	<b>Roll No. 1</b> (partial roll, about 40 seconds)	
	Two engines and a crane loaded on flat cars. The engines appear to be replicas of the "Jupiter" and UP #119, probably used in the "Joining of the Rails" portion of the <i>Railroads on Parade</i> pageant, at the 1939 World' Fair.	
	Taken by Russell's father, Elmer E. Stewart. The "whole family" went on the trip to the World's Fair according to Russell's uncle and donor of the collection, Gene Winegeart.	
	<b>Roll No. 2</b> (full roll, 3 minutes)	
	Fire at the KCS-L&A Freight Depot on June 23, 1954. It was totally destroyed. The movie was probably taken by Ben Stuart according to Gene Winegeart.
